Schedule is subject to change. Check the website for the current schedule.

ODOT Contact Information:
 Wayne Statler, ODOT Project Manager
 503-731-3197 wayne.a.statler@odot.state.or.us

To help bicyclists and pedestrians cross the river, a **free shuttle bus service** will operate 7 days a week during the entire closure, which is expected to last until fall 2012.

The Bridge Shuttle bus can carry up to 4 bicycles and also has a lift to accommodate wheelchairs. The shuttle bus is unable to carry oversized bicycles.

Shuttle Stop Locations

The Bridge Shuttle serves two stops — one in West Linn and one in Oregon City. Both stops will be marked with Bridge Shuttle signs and bus shelters.

The **WEST LINN STOP** is located on Oregon Highway 43 (Willamette Drive) at the old TriMet stop location. It's just northeast of the bridge, where Willamette Falls Drive intersects with Willamette Drive (OR 43).

The **OREGON CITY STOP** is located on 9th Street between Main Street and Oregon Highway 99E (McLoughlin Boulevard) adjacent to the US Bank parking lot.
