City Council Update and Motions:

On Monday 1/7 the Council hurriedly adopted of motion to instruct the negotiator to bring a written offer to City Hall by Friday 1/11, for a one time lump sum franchise fee from LOTWP to the CoWL.

Motion by Lamont King, seconded Eric Jones: That this is a time sensitive matter.
Approved by voice vote.

Motion by Shanon Vroman, seconded by Randall Fastabend:
Resolved by the Robinwood Neighborhood Association on January 8th, 2013.

To the West Linn City Council:

Consideration of a lump sum franchise fee from the Lake Oswego-Tigard Water Partnership (LOTWP) is premature and creates the appearance of a conflict of interest and impropriety and fails to reflect good faith.

Any discussion of a franchise fee should be separate and distinct from the land use decision process.

Accepting a one time, lump sum franchise fee is not consistent with other City of West Linn franchise fees and privilege taxes, which should be recurring, renewable and renegotiable. This lump sum purchase of a permanent franchise right sets a dangerous precedent.

A franchise fee is rental for right-of-way and does not constitute a community benefit.

Approved by unanimous vote.

Motion by Lamont King, seconded by Gwen Sieben:

That Thom Holder shall be granted the RNA's ten minutes speaking time at the City Council hearing for CUP 12-02 and 12-04 on Monday January 14. Approved by voice vote.
