

City of West Linn
Robinwood Neighborhood Association (RNA, RN to be used for Robinwood Neighborhood)
Monthly Meeting Minutes
Tuesday, 3/11/2008

Kevin Bryck, President, called the meeting to order at 7:06 PM. Scott Sandie, RNA Treasurer, noted that the RNA fiscal year account balance was \$1123.86 (plus an existing, small credit at the UPS store on Willamette Drive). The January and February 2008 RNA meeting minutes were unanimously approved.

Items Discussed

Tualatin Valley Fire and Rescue

Lt. Mason of TVF&R noted that information would be available soon as to the status of Station 15. He also noted that rebuild processes were being considered for Stations 58 and 59. Seasonal concerns that he asked all residents to pay attention to were: a metal container is preferred for gas storage and cans should be stored away from ignition sources, rags soiled with paint or stain should be disposed of properly, and smoke detectors should be checked at this time.

Lt. Mason told resident Jennifer Weltin that she should consult with TVF&R regarding any concerns related to the impact of property division on street egress, access, and hydrant quantity and location assessments.

Proposed Office Building Next to Library

Laura Horsey, Bolton neighborhood resident, spoke of her concerns (she also distributed a letter addressed to all West Linn citizens) about the plan to build a 35-foot high office building (bounded by a one-story office building) on property adjacent to or near the West Linn Library, Maddox Creek, and single-family residences. She asked that residents who feel that this is a poor use of this land voice their opposition by letter in advance of, or by appearance at the, City Council meeting on 3/17.

Sharon Newman – Exiting Cedar Oak Principal

Sharon Newman spoke about various topics including: the 50th anniversary of the school, increasing student population, new roof for school, resurfacing of tennis courts, renewal of property tax (11/08) – 50 teaching jobs would be eliminated from district if it fails, new principal Caroline Miller takes over on 7/1/08.

Kantara Land-Use Application

This next appears on the 4/28 City Council agenda.

Robinwood Neighborhood Plan Review Update

The RN plan is set to be reviewed by the City Council on 4/28 (a work session will precede this on 4/21).

College Hills Update

There are 43 single-family homes (on lots zoned for multi-family use) and a single, contiguous 6-acre green space section. Movement is being made to rezone the 43 lots to single-family. Kevin Bryck suggested getting 35 out of the 43 families to sign a petition (and take it to the city council) stating they agree with the rezoning concept.

Neighborhood Association By-Laws

Tina Decker said that the West Linn City Manager, Chris Jordan, is reviewing the bylaws, that the standardization of bylaws is now a lower priority for the city, and that Section 99 of the City Development Code and Section 2.100 of the West Linn Municipal Code speak to neighborhood associations.
