

**City of West Linn**  
**Robinwood Neighborhood Association (RNA, RN to be used for Robinwood Neighborhood)**  
**Monthly Meeting Minutes**  
**Tuesday, 4/8/08**

Kevin Bryck, President, called the meeting to order at 7:09 PM. Scott Sandie, RNA Treasurer, noted that the RNA fiscal year account balance was \$982.06 (plus an existing, small credit at the UPS store on Willamette Drive). The March 2008 RNA meeting minutes were unanimously approved.

***Items Discussed***

**Summer Concerts in Willamette Park**

Alice Richmond spoke about these free concerts which will occur each Wednesday and Thursday in June and July. She noted that some of the concert will occur at noon to attract a larger audience. More details are available in the West Linn Parks and Rec brochure. Ms. Richmond also noted that she's attempting to organize a fireworks display for the City of West Linn.

**Johnson Property**

Terry Pennington noted that the Johnsons have a filed a new application for a different size house in a different spot on the plot. Terry spoke about his interactions with surveyors who were surveying the Johnson plot and about the difference between taxable and legal lots. Terry noted that he and West Linn resident, Oly Olsen, spoke with City of West Linn representative Gordon Howard who confirmed that if it is confirmed that there is integrity to the legal or taxable status of the Johnson lot, their application would dismissed. Terry's recent research shows that the Johnson application had not been dismissed and is still on file with the City; Gordon Howard committed to Terry that he would provide Terry with his final analysis of the application by Monday, 4/14/08. Additionally, Terry noted that, per ORS 92, the partitioning of property should be administered via civil law channels, not administrative law.

**Water Plan**

Lake Oswego is looking to build in the Stafford Basin and they need to address the water supply issue for the area. As such, discussions are occurring to consider giving Lake Oswego West Linn's senior water rights to the South Fork Water Board. In return, West Linn would get access to, via Lake Oswego, emergency water when needed. See Motion section below for motion notes on this topic.

**Kantara Land-Use Application**

This next appears on the 4/28 City Council agenda.

**Robinwood Neighborhood Plan Review Update**

The RN plan is set to be reviewed by the City Council on 4/28 (a work session will precede this on 4/21).

**College Hills Update**

There are 43 single-family homes (on lots zoned for multi-family use) and a single, contiguous 6-acre green space section. Movement is being made to rezone the 43 lots to single-family. Kevin Bryck suggested getting 35 out of the 43 families to sign a petition (and take it to the city council) stating they agree with the rezoning concept.

**Neighborhood Association By-Laws**

No discussion – will be reviewed at 5/13/08 neighborhood meeting.

**Committee Reports**

No substantive updates from any committee.

**Miscellaneous Updates**

- Reminder: Goal 1 Coalition workshop on 4/10 at 6:00 PM at City Hall.
- Goal 1 Coalition, non-profit, is hosting a 'citizens' rights during planning process' workshop at West Linn City Hall on 4/10 at 6:00 PM.
- The City of West Linn will soon make available some city financial/accounting information online at the City's website.
- Money may soon be spent on interpretive signs to be placed along the old railroad trail.
- Processes are currently in motion for a right-of-way (13500 sq. ft.) to be vacated thus allowing for a lot division to occur at 1358 Skye Parkway.
- Kevin Bryck introduced Article 5 of the RN bylaws speaking to establishment and maintenance of committees.

- Tina Decker spoke of funding available through the County Tourism and Development Council to offset various neighborhood expenses, including sign costs. Tina recommends that people interested in getting funding should speak to her.
- Tina Decker noted that WL Farmer's Market is being stewarded by a set of businesses and is moving to Tuesdays from 4:30 – 8:30 PM.
- Tina Decker, new Library Board Chair, asked that residents submit their library comments to her.
- Non-native plants will be removed from Cedar Island with heavy equipment and then assistance will be needed to replace them with native plants.

**Motions (motion voting results in parentheses after motion title)**

1. Approval to Reimburse Kevin Bryck an Additional \$141.80 for Neighborhood Signs Purchase  
After previously, at the January 2008 meeting, having a motion approved to reimburse Kevin \$100 for sign costs, all eligible voters approved of reimbursing him, out of RN funds, for the balance of what he spent on the signs (\$241.80 - \$100 - \$141.80).

Meeting adjourned at 8:50 PM.

*Minutes submitted by RNA Secretary, Scott Sandie*
