

**City of West Linn  
Robinwood Neighborhood Association (RNA, RN to be used for Robinwood  
Neighborhood)  
Monthly Meeting Minutes  
Tuesday, 11/14/2006**

Kevin Bryck called the meeting to order shortly after 7:00 PM. The persons who attended recited the Pledge of Allegiance.

***Items Discussed***

**Police Update**

Officer Amendolara reported on the incidents occurring in the RN during October 2006. The attendees discussed ways to properly handle concerns about solicitors. Also, there was discussion about the appropriate ordinance, if any, for residents blowing their leaves into the street. Officer Amendolara committed to following by the next meeting with code specifics.

**American Cancer Society – Relay for Life**

Linda Richter of the American Cancer Society discussed

**Development of Space Adjacent to Kasch's (former development attempted by Shurgard)**

Doug Seely and Monty Struck, developer and designer, respectively, discussed plans for a plan for a set of one-story only spaces of size 12-13K sq ft to be used for a variety of purposes (boutique shops, cafes, pet services, etc.). Various residents brought forth various concerns – the most prominent being traffic volume and flow and residual lighting concerns. The exchange with the residents was recorded per city code.

**RNA Neighborhood Plan Development Update**

Streetwalker Kevin Bryck noted that there were no substantive updates and that the Streetwalkers were looking for recruits to assist in getting traction on the project.

**RN Picnic**

The picnic was confirmed to be occurring on 8/27 at 1:00 PM in Robinwood Park.

**West Linn Arts Commission (WLAC) - Donation**

A motion was made, and seconded, to donate \$200 of RNA monies to the WLAC. Discussion points pre-vote were regarding what type of art the WLAC contributes to the city and how much money the city contributes to the RNA account. A contribution of \$200 was approved (15 For, 0 Against, 6 Abstentions) conditional upon the RNA receiving \$1500 from the city.

**Development of Space just North of Cedar Oak School**

A resident noted that it is already dangerous for parents to walk their kids to/from school along the road and that added traffic to due additional homes being contemplated for the aforementioned land will make it even more dangerous. Mike Kapigian said to check with City Planning personnel Brown, Spier, or Howard to see what progress is being made on this development as to ascertain how to effectively raise the pedestrian traffic concerns.

The meeting adjourned at 8:47 PM. Next meeting will be on Tuesday, 8/8/06 at 7:00 PM (it will occur outside).

*Minutes submitted by RNA Secretary, Scott Sandie*
