

Robinwood Neighborhood Association City of West Linn

Resolution of the Robinwood Neighborhood Association December 9 2014

Motion by Mary Hill, seconded Lisa Clifton, approved by voice vote without objection and one abstension:

RNA President Kazi Ahmed should hold the Robinwood NA PCard issued by Pacific West Bank which is currently held board member Tony Bracco.

History:

In November the membership discussed the role of NA Treasurer and decided that the Treasurer should track and audit expenditures and balances and therefore it would be prudent under separation of duties that the treasurer not hold a PCard and execute transactions.
