2. Photos of the new signs for the White Oak Savanna were passed around, as were photos of a nature scape play area for the Savanna. This natural design was voted on with a show of hands and everyone present voted to support the no steel and no plastic natural design.

## New Business:

2. Mr. Robinson gave an update on the Con Am development and there was a question and answer segment afterwards.
3. Two new development proposals were briefly discussed. One will be for 22 homes on Weatherhill and one will be for 5 homes on Bland. Neither of these has been presented to the Savanna Oaks NA as of yet.
4. Two Resolutions were brought to the meeting by one of the SONA members. The resolutions came in late and therefore had not made it on to the agenda for discussion. After a motion was made, seconded, and passed to discuss each one of

One was regarding the Goal 9 and Economic Opportunity amendments to the Comprehensive Plan and the vote was unanimous to support the resolution and oppose the above. There were no votes abstaining. The other was a resolution to support the residents of Bolton to have other options which are based on recent community input considered on the Bolton/Arch Bridge development. This resolution was passed with a 13 aye votes, 0 no votes, and one abstaining.

There being no further business, the meeting was adjourned at approximately 8:50 pm.
