Meeting minutes from the February 2016 meeting were approved with a unanimous vote.

SONA Treasurer, Patrick McGuire, reported that the current SONA balance is \$2,741.97.

Old Business:

1. There was a discussion of a possible SONA boundary change to include people living in the area currently within the boundary of Willamette NA but which are residing on the same side of Blankenship as the Savanna Oaks NA. Julia Simpson, the Vice President of Willamette NA, said that she will ask the city staff to find out how many homes are in this "North Willamette" area. She will report back at the next SONA meeting and then the discussion will continue.
2. An update was given by Roberta Schwarz on the White Oak Savanna and the sixteen fundraisers that are planned for this year. A list of those fundraisers was passed out to those present as was a flyer for one of them, the Run/Walk for the White Oak Savanna. A registration form for this event was also passed out.

New Business:

1. Updates on proposed applications throughout the city were given. There was also an update on the date of the auction of the Haggens'. The new date is March 11th. It was discussed that a Trader Joes might fit well in that space. The corporate offices of TJ's will be called by a SONA officer to see if there is any interest in this auction for this location.
2. The recent design workshop for kids to help plan the natural play area for the White Oak Savanna was discussed. The event was well attended and the children had excellent ideas to offer in the design planning.

Ken Pryor, seeing no further business, adjourned the meeting at 7:45 pm.
