

West Linn

Help spread art through West Linn with the WL Arts and Culture Commission!

You are invited to pick up a rock painting kit that includes all the supplies needed (2 rocks, paints and brushes).

Kits are available to pick up from the main floor foyer at the library, the WLACC table at the Wednesday market, and the first floor at City Hall.

Once completed, please leave your painted rock in a public space for other community members to enjoy.

If you're on social media, post a photo of your creation with the hashtag [#westlinnrocks](#)

We look forward to seeing your creations!
