

SAB Meeting on April, 17, 2025 ACTION ITEMS

Dylan - can ask GIS about tree inventory. Will see if the city has it, and how long ago it was.

Dylan—Dylan will see if he can email us the list of possibilities for grants, especially so Victoria can consider writing a grant for the community garden.

Dylan—working with mayor to schedule meeting with developers for EV charging.

Dylan - considering using the last \$3000 for Paramatrix, and considering asking Paramatrix to lay out an action plan for the next 2-3 years, Dylan will pass this request on to city manager.

Dylan - do we want to put the leaf blower issue back on our radar?

Greg—will look into name of law professor at Lewis and Clark and invite her to discuss the ordinance for gas appliances in Ashland, Bend, and Corvallis

Greg—offered to talk to high school teachers (Jeff Bingam) about being involved with the tree inventory. WLHS has a green team that might be interested in assisting.

Greg—will do quarterly op eds. Next will do an op ed about recycling opportunities

Greg—will ask the Old Time Fair people to have our booths near other like groups: River Keepers, Garden Club, Historical society, Vision 43.

Greg - will talk with WL garden club about sharing a booth. (Susan Piper)

Greg—asked Dylan if he's met yet with Rory about a meeting with developers about an upcoming meeting, for EV charging. Perhaps Greg Moor.

Greg—will get in touch with LO Network about a shared outreach.

Victoria—will work with Dylan on printing capabilities for an SAB banner.

Victoria - will email out the slogan we used two years ago.

Victoria—garden is interested in solar panels grant. SAB can look at list of grants from paramatrix

Victoria & Kate - will meet to discuss designs for T-shirts;

Kate - will email the results to everyone

Dan— will send our flyer for garden presentation to WL Sustainability Network FB group

Mike—will help post flyers regarding garden presentation

All SAB - May 7th is Building Resilience Day in Salem; if anyone is interested, let Greg know.

All SAB—do research about recycling; Roberto? Greg? - will put the info at our booth.
