1. Call to Order
2. Public Comments

The purpose of Public Comment is to allow the community to present information or raise an issue regarding items that do not include a public hearing. All remarks should be addressed to the SAB as a body. This is a time for SAB to listen, they will not typically engage in discussion on topics not on the agenda. Time limit for each participant is three minutes, unless the Chair decides to allocate more or less time. Designated representatives of Neighborhood Associations and Community Advisory Groups are granted five minutes.

3. Check in
4. Approval of May minutes
5. Guest speaker Carra Sahler from Lewis and Clark College Law School concerning the regulation passed in Ashland that requires developers to pay a fee for new buildings hooking up natural gas.
6. Victoria will update members on the staff's April 17 Action Items
7. Follow up on Greg's efforts to talk to high school teachers about being involved with the tree inventory. Could the WLHS Green Team be interested in assisting?
8. What would we like to emphasize as City Council looks at the tree code as it relates to the CDC (Community Development Code) for developers?
9. Report from Greg on his meeting with the LOSN landscaping committee re: electric tools.
10. Review Dan's notes from May 15, 2025, regarding Parametrix's recommendations to us. They suggest, in short, that we find long-term funding and capacity building. How would we like to go about doing this?
11. Revisit our 2025 Goals to evaluate where we are and where we wish to put our energies for the remainder of the year (See 2025 Goals.)
