

Bolton Neighborhood Association Meeting 11/17/2014

Meeting held at West Linn High School Commons Room B

Secretary read minutes from last meeting and they were approved as read.

Due to time constraints it was not possible to get the Arch Bridge resolution concerns to members ahead of time. We decided to use this resolution as a tool for discussion. Peggy Kirkendall explained what the resolution was about and wants the process slowed down and delayed until the new year. The resolution was rewritten and therefore altered and different from what was presented at the last meeting. It was decided that we could not vote on it tonight. An "Advisory" (not official) vote was taken after it was read by Angela and after much discussion. (20 – 30 minutes) In favor 39, Not in favor 11. Comments were encouraged on the vote.

Chris Kerr of the City of West Linn was present and talked about the project.

Sally discusses Home Business codes and tells us that the CDC is online at the city website. Chapter 37 is the home business code in the CDC. The code enforcement officer is Peggy Jones at 503 742-8656

No Meeting in December

Election of officers for Neighborhood Association will be discussed at the 01/19/15 meeting.

Next meeting is 01/19/15

56 people in attendance
