

Bolton Neighborhood Signs

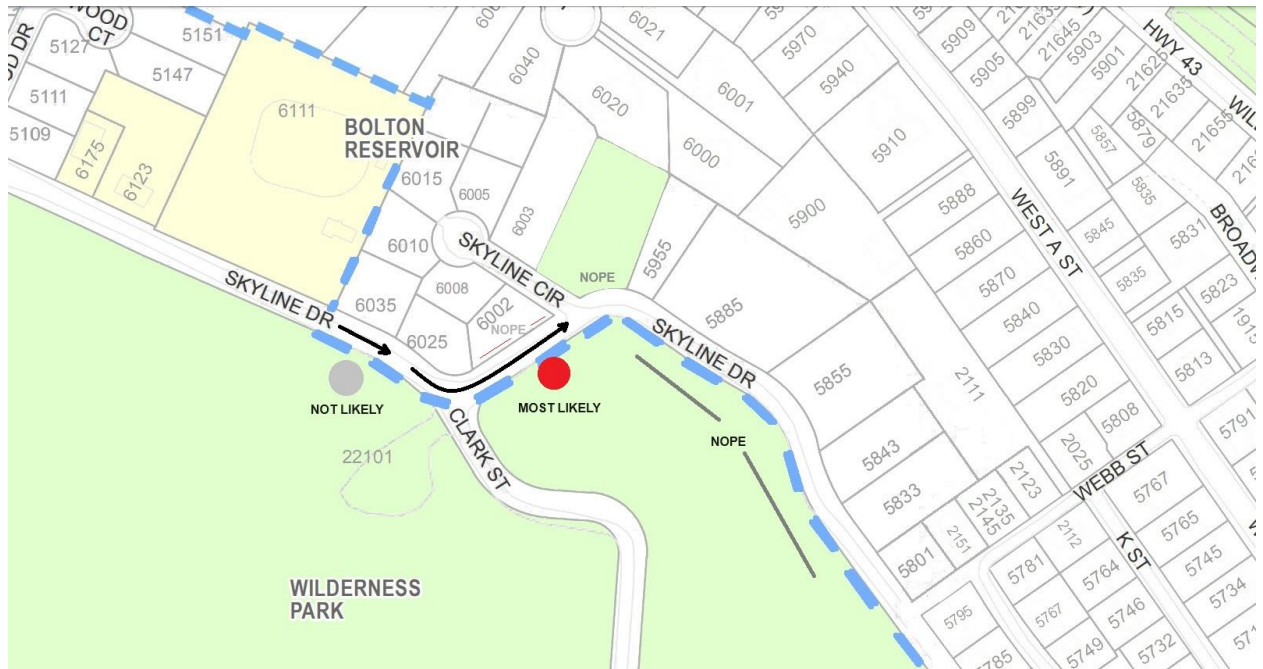

- The City will pay for and install two Bolton Neighborhood signs within the Bolton neighborhood.
- The locations must meet certain criteria, such as not within ODOT right-of-ways, as well as other restrictions.
- Vince Miles, BNA Vice-President has been discussing placement options and design of the signs with Jeff Randall, Public Works Operations Supervisor.
- The attached photos and maps show locations that can be used.
- We will decide on where to place the signs at our October 17th monthly meeting. Come and express your thoughts.

Pimlico Drive

Skyline Drive

Willamette Falls Drive
