

BOLTON NEIGHBORHOOD ASSOCIATION February 22, 2010 Minutes

The meeting was called to order at 7:15 in the Bolton Primary School cafeteria. Knowing that there were to be two other city meetings scheduled at this time we used the time to work on coming association project and activity plans.

Roger Shepherd led us in a discussion of a planned "Celebrate Bolton Day" for July 31 and reminded us that Parks & Rec would be holding a citizens meeting on Trails at Bolton School on Wednesday from 7 to 9.

We discussed West Linn's history and upcoming birthday. ( How many of the streets were named, where in Bolton was "Lonesome Bottoms"? etc.) Maps of early times and materials for personal archive files were distributed and we were adjourned to the Olympics.
