Members, West Linn City Council

From: Lance Calvert, Public Works Director

Through: Kirsten Wyatt, Assistant City Manager *KW*

Subject: On-Street Routes Priority List Associated with the Trails Master Plan

---

### **Purpose**

The City of West Linn Transportation Advisory Board (TAB) was tasked with providing recommendations for a trails/pathways capital improvement plan (CIP) as part of the 2014 City Council Goals. In response, the TAB has developed a priority ranking system highlighting on-street routes within the City that will increase connectivity to off-street trails and enhance the citizen's ability to access non-vehicular transportation. The TAB recommends that the On Street Route Priority List and Pathway Planning Map Book be approved and adopted by the Council.

### **Question(s) for Council:**

Should the Council approve the priority ranking of capital improvement projects for on-street routes?

### **Public Hearing Required:**

None required.

### **Background & Discussion:**

The adopted 2013 Trails Master Plan outlines proposed on-street and off-street trails throughout the City to promote more pedestrian and bike travel. City staff and TAB members have reviewed the 2013 Trails Master Plan proposed on-street paths to determine which routes have incomplete sidewalks and marked bike lanes. City staff and TAB members have also reviewed which proposed on-street trails are in close proximity to commercial centers, schools, public transit and connections to off-street trails. With this information, the TAB has developed a tiered On-Street Routes Priority List to be reviewed and approved by the City Council for approval as the capital improvement plan for On Street Routes.

### **Budget Impact:**

None. Approval of the priority list does not impose budgetary obligations.

### **Council Options:**

1. Approve utilization of the On Street Route Priority List and supporting Pathways Planning Map Book as the capital improvement plan for on-street routes.

### **Staff Recommendation:**

Staff recommends approving use of the On Street Route Priority List and supporting Pathways Planning Map Book as the capital improvement plan for on-street routes.

**Potential Motion:**

Motion: *Move to adopt Resolution 2014-13 approving a capital improvement plan for on-street routes.*

**Attachments:**

1. Resolution 2014-13
2. On-Street Routes Priority List
3. Pathway Planning Map book

**RESOLUTION NO. 2014-13**

**A RESOLUTION APPROVING A CAPITAL IMPROVEMENT PLAN FOR ON-STREET ROUTES**

**WHEREAS**, the 2014 City Council tasked the Transportation Advisory Board with providing recommendations for a trails/pathways capital improvement plan (CIP) to enhance pedestrian and bike access across the City;

**WHEREAS**, the City has adopted the 2013 Trails Master Plan which includes the goal of building better connectivity between proposed on-street and off-street trails across the City;

**WHEREAS**, the Transportation Advisory Board reviewed proposed on-street trails within the adopted 2013 Trails Master Plan to examine each routes' proximity to schools, commercial centers, public transit and connection to off-street trails to create a tiered On-Street Routes Priority List to develop a long-term trails/pathways capital improvement plan (CIP); and

**WHEREAS**, on July 23, 2014, the Transportation Advisory Board voted unanimously to approve the On-Street Routes Priority List and supporting Pathways Planning Map Book.

**NOW, THEREFORE, THE CITY OF WEST LINN RESOLVES AS FOLLOWS:**

**SECTION 1.** The On-Street Routes Priority List and Pathways Planning Map Book, attached as Exhibits A and B, are incorporated by this reference, and approved as the Capital Improvement Plan for On-Street Routes.

This resolution was PASSED and ADOPTED this 11<sup>th</sup> day of August, 2014, and takes effect upon passage.
