

Memorandum

Date: September 19, 2014

To: John Kovash, Mayor
Members, West Linn City Council

From: Chris Jordan, City Manager *CJ*

Subject: Joint Meeting with the School Board

On Monday, September 22 at 6:30 p.m., the City Council is scheduled to meet with the West Linn/Wilsonville School Board at Sunset Primary School. (Dinner will be served at 6:00 p.m.)

A couple of items the Council may wish to discuss include:

- The City and District previously partnered on a property transaction that provides adequate land for the District to construct a new Sunset Primary School at its current location without having to close the existing school during construction.
- One of the Council's goals this year was the adoption of the Trails Master Plan and the prioritization of those projects. Staff will have maps on Monday describing sidewalk and trail projects near schools that are recently completed, under construction or anticipated in the next few years.

Of course, there are ballot measures pending for each of the two agencies. Staff cannot participate in these discussions, but as elected officials, members of the City Council and the School Board are exempt from such restrictions.

The City Council next meets in a work session scheduled for October 6. The Planning Commission will be joining the Council for that meeting. The Arch Bridge Master Plan consultants will brief the group on the status of the Master Plan.
