Noah says that Rory plans to file another lawsuit
Hunter volunteers to be contact on the survey
Ms Flynn sent an email to Mr Mills explaining what the YAC is doing with the survey
3. Finalize Parking Survey
Survey planned for November 15th through 17th
Everyone is recommended to talk to their teachers
Ireland and two other volunteers with work on distribution
4. Future Projects Discussion/Breakouts
Mental health committee: Evan, Avge, Hunter Caitlin
Caitlin thought people thought previous Mental Health Night was very streamlined (in a bad way)
Planned outline for this year's Mental Health Awareness Night: speaker on uncommon illnesses (such as schizophrenia), one about anxiety in daily life, and one activity
Fundraising committee: Caden, Noah, Andrew, Jake, Nick
Ideas include a fundraising event (such as pancake breakfast or car wash), pie a Councilor in the face, accepting tips/donations during drug dropoffs, having a percentage donation for one night at a restaurant (such as Burgerville), dinner and bingo with the Council, bottle returns, selling doughnuts (after the Puerto Rico DOUGHnations fundraiser is done)
Caitlin says we may need a gambling license for bingo
Committee members will research fundraising techniques, flesh out a couple ideas
Driving committee: Anisha, Mac, Olicia, Tanner
Jake claims Ms Kaiser claims safe driving assemblies are very touchy given the school's history
Possibly have people calculate how much time they save by speeding (usually like 30 seconds)
Every second meeting will include such breakout groups
5. Adjourn
No further business
Ireland adjourns meeting 17:06
