Communication plan — a small group of YAC read over research and asked 5-10 peers about city communication. Caroline, Madeline, Annamika, and Nate shared their thoughts.

Instagram was the common theme, and examples of other councils like Happy Valley and Tualatin's social media presences were used to further back up Instagram being the primary medium for council to use. Collaboration with ASB and the police department were also discussed in order to improve youth outreach.

Madeline, possibly Caroline, Annamika, and Jake plan to go to a council meeting on Jan. 9th to present on the communications plan.

Concluding the meeting, Jake brought up the recent presence of fentanyl in West Linn.
