

West Linn High School Parking and Mobility Survey

The West Linn Youth Advisory Council has been tasked with finding a solution to the ongoing discussions regarding the lack of available parking at both West Linn High School and the surrounding streets. In order to explore possible solutions the YAC is asking that all West Linn High School students accurately fill out this survey. Data from this survey will help guide future conversations related to parking.

The survey should be turned in by Friday, Nov. 17.

Grade:

9 10 11 12

Age:

Do you have a driver's license?
