

NEED FOOD?

There are new and expanded resources available to help meet your essential needs.

Need food right now?

During school closures, free meals are available at schools and other community locations to all children ages 1 to 18 to pick up “grab and go” style. To receive a meal, a child does not have to attend that specific school. No application is required to access meals. You can find your local meal sites by visiting summerfoodoregon.org/map or by calling your local school district or 2-1-1.

Food pantries, pick-up sites and delivery options: Oregon Food Bank's network of 1,400+ partner pantries and food assistance sites are open across Oregon and Southwest Washington. Many offer drive/walk-up or direct delivery options. Visit oregonfoodfinder.org for local locations, or call **2-1-1** for help.

Want ongoing help with groceries?

SNAP (formerly food stamps) helps you buy groceries. Find all the information you need at govstatus.egov.com/or-dhs-benefits where you can apply for SNAP, cash, insurance, childcare and domestic violence assistance all in one place. Dial **211** or call your **local DHS office** with questions.

WIC offers healthy food and nutrition and breastfeeding support for families with kids under age 5 and for pregnant women. Go to healthoregon.org/wic and click the WIC Interest Form button. You can also call **2-1-1** and ask to speak with a maternal and child health specialist. New participants are welcome!

Need meals if you're 60+ or live with a disability?

The Aging and Disability Resource Connection (ADRC) of Oregon's Older Adult Meals Program (“Meals on Wheels”) provides meals for people across Oregon. Anyone 60+ can receive these meals. There are no income requirements and no charge for meals. The ADRC can also help connect people with disabilities, regardless of age, to food resources. Visit adrcforegon.org or call **1-855-673-2372**.
