Fix your items

Work with skilled volunteers to
repair instead of replace.

Reduce waste

Small fixes can have big impacts.
Why buy new when you can repair?

Learn new skills

Learning how to sew on a button
can inspire entirely new skill sets!

What to bring

- Clean clothes and textiles
- Small home appliances
- Small electronics

If you bring multiple items, we can work
on one at a time. Time permitting, we can
try to fix another item. Some repairs may
not be available at every event or may
require a part we don't have. To inquire
if an item can be repaired, please email
sustainability@clackamas.us.
