## **ECONOMIC DEVELOPMENT COMMITTEE MEETING**

### **CANCELED Agenda**

Thursday, March 12, 2020

6:30 PM

Willamette Room, City Hall, 22500 Salamo Road

---

In light of the growing concern with the declared COVID-19 pandemic, and need to provide both preventative and cautionary measures, tonight's EDC meeting will be cancelled.

Because the safety, health and wellbeing of all Advisory Board/Committee Members, Staff, and the citizens of West Linn is at hand, this has been made a top priority in making sure we act proactively. This decision was made by the EDC Chair, Rachael Vidin in coordination with Mayor Axelrod as a precautionary measure of safety for both members and citizens of our community.

Careful consideration with information from the CDC, WHO and Oregon State government, determined cancellation to be the best and safest course of action. As information is changing rapidly on how the virus is transferred as well as fully understanding how wide-spread contagions may presently be, determination was made to err on the side of safety.

Thank you all for understanding and your support in this.
