1. General Information

1.1. Overview

The City of West Linn provides a full range of municipal services to the community, which includes police protection, traffic control and improvement, street maintenance and improvement, water, sewer, and surface water management services, planning and zoning regulation, building inspection and regulation, parks and recreational activities, and community library services. This Master Fees Schedule consolidates all City fees and charges, adopted by City Council resolution, for the various services that the City provides. Typically, it is updated annually and reflects all fee resolutions passed by Council during the year. For easy reference, the current Master Fees Schedule booklet is available online at: <http://westlinnoregon.gov/finance>.

1.2. Fee Variance & Waiver Statement

Based upon an unusual circumstance or event, past practices, demonstrated hardship, or public benefit, the City Manager is authorized to waive or decrease a fee(s) or charge(s) in a particular matter or establish a fee not yet authorized in this schedule. When a new fee is established by the City Manager it shall be incorporated into this resolution, and it shall be included and specified during the next update to this document. It shall be communicated to Council in writing to allow opportunity for comment. The request for a waiver or reduction may be in writing. If the City Manager or his designee agrees to said waiver or reduction, he/she may inform the City Council, in writing, of the request and his/her decision, except in minor matters (defined as waivers or reductions valued at \$500 or less).

1.3. Statement of Hourly Rates

Unless otherwise specified, the City employee hourly rate shall be calculated as three times the employee's hourly pay rate, to the nearest \$5 increment. This calculation shall be used to recover costs for those services billed on an hourly basis, including but not limited to professional services such as planning, engineering, public works, utility, financial, legal, parks, and police services. The use of a multiplier of three is intended to recover all overhead, training, benefits, and other costs associated with a City employee's time. Any work performed during overtime hours shall be billed the calculated three times hourly rate multiplied by 125 percent. A schedule of hourly billing rates will be maintained. The City Manager or Department Directors are authorized to adjust calculated billings to reflect the impact of unusual circumstances or situations.

Shut off fee for a period of not less than 15 days	\$ -	Pursuant to Code 4.185 (1)

Note: a onetime fee of \$30 will be charged for shut off due to non-payment. Water shall not be returned to service until the customer pays their account balance in full and the \$30 fee. A onetime fee of \$20 will be charged to a water customer that wishes to have their service discontinued for a period of less than 15 days.

Water shall not be returned to service until the customer pays their account balance in full and the \$20 fee. No shut off fee will be charged for having service discontinued for a period of not less than 15 days. Please also refer to the section below as "turn on" fees may or may not apply as well.

2.3. Water Service Turn On

A special bulk water charge shall be charged to bulk users, such as commercial cleaning services, commercial spraying businesses, contractors and other commercial bulk users of water recognized by the city. Each bulk user shall obtain a permit from the public works department, which shall be free of charge, and the user may be required to pay a refundable cash deposit of one hundred dollars or more before the permit is granted.

2.6. Reduced Utility Bill Rates for Qualifying Low-income Households

	Effective January 1, 2017		Effective January 1, 2018		Increased 5.00% Effective January 1, 2019	
	Over 700 Cubic Feet; First 700 Cubic Feet		Over 700 Cubic Feet; First 700 Cubic Feet		Over 700 Cubic Feet; First 700 Cubic Feet

3/4" meter	10.74	2.47	11.27	2.59	11.84	2.72

Monthly water service charges to the principal residence of low income citizens as defined in this section shall be as follows: for 5/8-inch or ¾-inch water meter; the first 700 cubic feet of water use shall be charged at one-half the regular consumption rate; water used in excess of the first seven hundred cubic feet of water used shall be charged at the regular consumption rate. There shall be no reduced water service charge for meters in excess of those described above.

Only principal residences occupied by a person(s) having an annual income(s) that does not exceed 185% of the federal poverty low income guidelines (as established for both single and multiple person households, by the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. 9902(2).), are eligible for reduced utility bill rates renewable July 1st of every fiscal year.

2.7. Water Meter Installation Services

	Effective January 1, 2017		Effective January 1, 2018		Increased 5.00% Effective January 1, 2019	
	Dig-In Service	Drop-In Service	Dig-In Service	Drop-In Service	Dig-In Service	Drop-In Service

2" meter	4,850	1,212	5,092	1,273	5,347	1,337

All other connection and installation charges for water meters in excess of two-inches shall be determined after the City has performed the work and the actual cost has been determined. Such cost shall include labor, materials and services, equipment and indirect overhead costs. An advance cash deposit shall be required at the time that a building permit is issued for water meters in excess of 2-inches: for each three-inch meter, \$10,000; four-inch meter, \$10,000; six-inch meter, \$15,000; and eight-inch meter \$15,000.

When the amount of the cash deposit exceeds the City's actual cost, the difference shall be refunded. When the City's actual cost exceeds the cash deposit, the difference shall be due immediately; if the difference is not paid within 30 days of the billing date, interest and finance charges shall accrue at the rates stated in Section 2.4. The price structure has been calculated to recover costs associated with dig-in service piping installations up to and including 40 linear feet.

Any service installation requiring piping extensions ranging from 40 linear feet up to 125 linear feet will be charged an additional \$50 per linear foot, in addition to the charge listed above. Service installations requiring piping extensions longer than 125 linear feet shall be negotiated. The West Linn Public Works Department will provide a written estimate detailing the work to be performed, and the applicant shall agree and make a cash deposit prior to the commencement of work. Final billings for this work shall be consistent with this fee schedule.

Service Definitions:

Dig-in Service: Condition where the City or its agent must physically tap into a main water line to extend water service to the property.

Drop-in Service: An existing condition where a developer of a residential subdivision or commercial complex has installed water services to each serviceable and buildable lot in accordance with City specifications.

2.8. Sanitary Sewer Collection Rates	Effective January 1, 2017		Effective January 1, 2018		Effective January 1, 2019	
	Residential	Commercial	Residential	Commercial	Residential	Commercial
	Increased 5.00%					
City of West Linn	\$ 18.83	\$ 18.83 plus \$1.81 per CCF over 10 per month	\$ 19.77	\$ 19.77 plus \$1.90 per CCF over 10 per month	\$ 20.76	\$ 20.76 plus \$2.00 per CCF over 10 per month
Tri-City Service District	Effective July 1, 2016		Effective July 1, 2017		Effective July 1, 2018	
	Residential	Commercial	Residential	Commercial	Residential	Commercial
	\$ 21.50	\$ 21.50 plus \$2.15 per CCF over 10 per month	\$ 22.15	\$ 22.15 plus \$2.21 per CCF over 10 per month	\$ 23.00	\$ 23.00 plus \$2.30 per CCF over 10 per month

Tri-City Service District is the separate entity that treats City of West Linn sewage and accordingly, the City passes through their charges to West Linn citizens. These pass-through charges are not determined by the City, but rather by the Tri-City Service District and historically have changed every July 1st, as opposed to January 1st when the City's charges have historically changed.

The above sewer rates for Tri-City Service District are actually stated on a per "Equivalent Dwelling Unit (EDU) basis, which should be based on water consumption". So in converting their EDU rates over to CCFs which are used for billing commercial properties in West Linn, if for residential units, every residence is deemed to have 1 EDU and therefore 1 base fee charge applies, then for commercial property, West Linn has historically (since at least 1999) determined that since 1 EDU = 1 residence = which is also about 10 CCFs. Therefore, for commercial billing purposes in West Linn, bill one of Tri-City's base fee which would include 10 CCFs, as a minimum charge for all commercial properties, and then one-tenth of the same base rate per CCF for water consumption used over 10 CCFs per month.

2.9. Surface Water Management Rates	Effective January 1, 2017		Effective January 1, 2018		Effective January 1, 2019	
	Equivalent Service Units (ESUs)		Equivalent Service Units (ESUs)		Equivalent Service Units (ESUs)	
	Increased 5.00%					
Monthly charge per ESU	\$ 6.46		\$ 6.78		\$ 7.12	
Single family residential	1 ESU		1 ESU		1 ESU	
Apartments (per unit)	\$ 6.46		\$ 6.78		\$ 7.12	
Duplex	2 ESU		2 ESU		2 ESU	
Triplex	3 ESU		3 ESU		3 ESU	

Total equivalent service units are based on measured impervious area. The rate for "All Other Improved Premises" shall be computed by dividing the total measured impervious area by 2,914 square feet. The quotient is rounded to the nearest whole number and multiplied by the base equivalent service unit rate.

The City Council determines that the fees imposed upon by this resolution are not taxes subject to the property tax limitations of Article XI, section 11 of the Constitution.

2.10. Street Permit Fee

Permit per project or contract

Permit Fee
\$ 50

Street permit fees are charged on a per project or per contract basis.

2.11. Roadway Maintenance Fee*(or commonly referred to as Street Maintenance Fee)*

Commercial maximum		\$948			\$976			\$1,005	
Commercial yearly increase max		3%			3%			3%	
Public institution maximum		\$300			\$300			\$300	

A residence is defined by the presence of any size water meter, for the roadway maintenance fee. The system and structure of fees for roadway maintenance can be controlled through the vacancy of a residence and turning off water service to the vacant residence. The City Council determines that the roadway maintenance fees imposed upon residences are not taxes subject to the property tax limitations of Article XI, section 11(b) of the Oregon Constitution.

A multi-family housing unit is defined as a residential structure with multiple dwelling units in the same building that share one water meter. Because multi-family housing units cannot define vacancy based on the absence of water service, a multi-family rate can apply to eligible multi-family housing units. The multi-family housing rate is discounted based on the city-wide vacancy rate as determined by the City of West Linn Planning Department in effect for a one-year period as of July 1 of each fiscal year.

Per trip calculation for business establishments shall be calculated using trip generation rates for various types of development as provided in the Trip Generation Manual of the Institute of Traffic Engineers. Business establishments shall have the opportunity to review and modify data used in the trip calculation formula.

Monthly roadway maintenance fees to the principal residence of low income citizens as defined in this section shall be as follows: low income citizens shall be charged at one-half the regular rate. Any citizen currently receiving the reduced water service charge for low-income citizens shall automatically receive the reduced roadway maintenance fee. Principal residences occupied by a person(s) having an annual income(s) that does not exceed one hundred eighty-five percent (185%) of the most recently published federal poverty low income guidelines (as established by the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. 9902(2).), are eligible for reduced roadway maintenance fees.

2.12. Park Maintenance Fee*[refer to Section 6.9 of the Parks Fee and Charges]*

2.13. Fees for Utility Services

This above graph compares the typical (i.e. median) utility bill for the neighboring cities surrounding West Linn. As some cities bill monthly, some bill every two months, and some bill every three months, these amounts are converted to typical monthly amounts so they are comparable to West Linn. Also, cities increase different rates at different times during the year; therefore, this graph is simply a picture in time reflecting the rates at the time that the survey was conducted. And finally, cities have different typical water consumption amounts per household; so for the sake of this comparison, these rates are computed using an average 8ccfs of water used per month so as to be most comparable.

3. Administrative Fees

3.1. City Facility Deposits

Deposits for the use of City facilities may be made via check/credit card to be cashed/charged immediately with any potential refund returned later at the applicable time.

If the City facility is left clean with no work required on behalf of City staff or contractor, the total amount of the deposit shall be refunded. If work is required by City staff or contractor, the actual costs as provided in the section above will be ascertained and subtracted from the deposit. If the deposit exceeds the costs, then any monies remaining shall be refunded; should costs exceed the deposit, the event organizer shall be billed for the difference. All refunds will be in compliance with Ordinance No. 1493, Section 7.870 and shall be made in no more than 30 days.

3.2. Special Events (permit)

	Fee
Filing fee	\$ 100
Deposit	[see Section 3.1. above for deposit policy]

All special events must file for a special event permit. Barricade rental will be a pass through from the Public Works Department. City personnel costs will be charged based on services required using the methodology described in Section 1.3.

3.3. Overstreet Banner (permit)

	Fee
Filing fee	\$ 50

Note: all applicants must file for an Overstreet Banner permit and only City sponsored events may be advertised on a overstreet banner.

Persons having a fixed place of business within the City of West Linn and who are subject to being licensed under the provisions of Sections 7.00 to 7.08 shall pay a business license fee.

Note: Non-profit organizations are required to obtain a license, but are exempt from the fees.

For an apartment house as defined in sections 7.000 to 7.080, with ten dwelling units or less, a business license fee of \$87 per year shall be assessed, and an additional amount of \$2.00 per dwelling unit shall be assessed for every dwelling unit in an apartment house in excess of ten (10).

Metro Business License versus City Business License or Both?:

Instead of getting separate business licenses within each Portland-area city that you conduct business in, you can get a single license from Metro to construct, alter and repair structures in 20 cities that have licensing requirements in the metropolitan area. The license covers all construction trades, both commercial and residential, as well as all landscape contractors. The Metro license allows contractors or landscapers to operate in 20 cities surrounding Portland having licensing requirements in the metropolitan area, excluding Portland. Exception: if your principal place of business is inside the City of West Linn, the business is required to apply for a City of West Linn Business License in addition to the Metro License. For Metro applications, contact Metro at 503-797-1710 or visit their website at: <http://www.oregonmetro.gov/index.cfm/go/by.web/id=24216>.

The City Council finds that certain trades, shops, businesses or callings are carried on in the City by persons from regular places of business and by persons from vehicles who have not regular places of business within the City; that persons with regular places of business in the City pay City ad valorem property taxes upon real and personal

property which is used in and belongs to their business and that persons who do not have regular places of business in the City escape such ad valorem taxation.

Both receive the benefit of police and fire protection, public utilities and sidewalks, streetlights, health services and other public facilities and services of the City. Therefore, in order that each shall pay as nearly as may be not a discriminatory share, but a share in proportion to benefits received of the burden supporting such facilities and services of the City, such businesses not operating from regular places of business in the City shall pay one and one-half times the license fee previously designated herein for businesses operating from a fixed place of business within the City.

Maximum annual business license fee

Based on the criteria set forth in Section 6(d) of Resolution No. 94-42, no business shall be charged an annual business license fee greater than two hundred dollars (\$200).

Adult Businesses

The application fee for a permit to own, maintain, operate or conduct an adult business (Section 7.115(1) of the West Linn Municipal Code), shall be five hundred dollars (\$500) and non-refundable.

The application fee for a permit to entertain in, or be employed by any adult business (Section 7.115 (2) of the West Linn Municipal Code), shall be fifty dollars (\$50) and non-refundable.

3.7. Public Record Requests

Every person has a right to inspect any public record of a public body in this state, except as otherwise provided by ORS 192. Please understand that the documents or records requested may not be immediately available for review and that an appointment to review the documents or records may be necessary. There may be a cost for the research time to retrieve the requested records and costs for duplication of requested documents. If research time is required, the requestor will be notified of the estimated cost prior to retrieving the documents or records. Prepayment for research time and copies may be required. Any documents or records made available for review will be disassembled by city staff. Copies may be made by the requestor directly, through digital means, such as digital photography or a city supplied flash drive.

1. Requests must be in writing using the form provided (please note, the City will not create a new document in response to a records request).

2. Requests must be submitted to the City Recorder at 22500 Salamo Rd., West Linn, Oregon, 97068, by fax at 503-650-9041, or by e-mail at cwl_records@westlinnoregon.gov. For Police record requests, please contact the Police Department directly at <http://westlinnoregon.gov/police/police-report-request>.

3. The City shall respond to all requests as soon as practical and without unreasonable delay. Generally, responses will be made within five (5) business days or, if more time is needed for a full response, within seven (7) business days.

4. The inspection of documents is preferred over copies, such inspection shall occur during normal business hours. An acceptable inspection time and place will be arranged between the requestor and the staff person. Space is provided for one person to inspect records per request.

5. The City will submit a cost estimate to the requestor to provide the requested documents, including copying charges, research time (if required), and separating exempt from non-exempt materials.

6. If the estimated cost is \$25 or more, the City shall require a deposit in the full amount of the estimate before fulfilling the request. If the actual cost exceeds the estimate, the City will not release the documents until the fee is received in full.

6.9. Street Trees

New Subdivisions:

Option #1 - The developer shall pay the cost of street trees at the time public improvements are bonded, prior to final plat approval. The fee shall be based on the number of trees required multiplied by \$250 (the cost per tree) unless the developer chooses Option 2. This fee includes the purchase cost of the tree, labor and equipment for original placement, regular maintenance following the City's schedule for two years, and a two-year replacement warranty.

Option #2 - At the developer's option, the street tree plan may be executed privately. In this case, a fee of \$75 per tree shall be charged prior to issuance of a final plat approval. If this option is exercised, trees shall be planted prior to an occupancy permit. This fee shall include permit and inspection fees, two-year maintenance fee, and a two-year replacement warranty.

All trees planted by the developer shall conform to types, grade, size, and planting specifications as specified by the City's street tree plan.

In special cases, a developer may choose to plant a larger tree than standard, or plant outside the normal planting periods, in which instance an additional fee may be agreed upon with the City to cover the costs of special order trees.

Existing Subdivisions/Older established Areas:

Landowners in existing subdivisions or other established areas might choose to initiate a beautification project by planting street trees. In which case, fees will be based on all or any combination of: permit and inspection fees, the actual cost of the tree, the actual cost of original placement, the projected cost of maintenance, and replacement warranty.

These fees shall be set and agreed upon prior to a permit being issued.

6.10. Park Maintenance Fee

	Increased 5.00%					
	Effective July 1, 2016		Effective July 1, 2017		Effective July 1, 2018	
	Charge per month		Charge per month		Charge per month	
	Residential	Commercial	Residential	Commercial	Residential	Commercial
Single family residence	\$ 13.66	n/a	\$ 14.34	n/a	\$ 15.06	n/a
Multi-family residence	12.97	n/a	13.62	n/a	14.30	n/a

For the park maintenance fee, a residence is defined by the presence of any size water meter. The system and structure of fees for parks maintenance can be controlled through the vacancy of a residence and turning off water service to the vacant residence. The City Council determines that the park maintenance fees imposed upon residences are not taxes subject to the property tax limitations of Article XI, section 11(b) of the Oregon Constitution.

A multi-family housing unit is defined as a residential structure with multiple dwelling units in the same building with that share one water meter. Because multi-family housing units cannot define vacancy based on the absence of water service, a multi-family rate can apply to eligible multi-family housing units. The multi-family housing rate is discounted based on the City-wide vacancy rate as determined by the City of West Linn Planning Department in effect for a one-year period as of July 1 of each fiscal year.

Monthly park maintenance fees to the principal residence of low income citizens as defined in this section shall be as follows: low income citizens shall be charged at one-half the regular rate. Any citizen currently receiving the reduced water service charge for low-income citizens shall automatically receive the reduced roadway maintenance fee. Principal residences occupied by a person(s) having an annual income(s) that does not exceed one hundred eighty-five percent (185%) of the most recently published federal poverty low income guidelines (as established by the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. 9902(2).), are eligible for reduced park maintenance fees.
