a. Hidden Springs Area SOLVE Update

Christine Linder's group is coming off a winter hiatus, but plans on continuing their work later this Spring. They are also considering teaming up with SOLVE on an Earth Day event.

Eileen Wende, reported that the Sunburst II Owners Association have scheduled SOLVE events on Saturdays March 9, 2024, April 13, 2024 and May 11, 2024. In the Sunburst GreenSpace removal of invasive plants will continue with an emphasis on the removal of holly, as well as the blackberries and English ivy. Work will also continue to be done on the North entrance to Marylhurst Heights Park, off Carriage Way, to clear damaged trees and invasives. Interest was expressed in sending a petition to the City of West Linn to clean up the area along Hidden Springs Drive, but no action was taken.

b. Update on HSNA Signs

Jenny Koll is going to look for a printer to make the HSNA signs. They feature eye catching black lettering on a bright yellow background. Jenny will find a printer to make the signs, possibly UPS.
