

Community Fruit Harvesting

**Tue, June 14, 6:30pm
at the West Linn Library**

**Experience the joys
of harvesting!**

The Portland Fruit Tree Project empowers neighbors to gather surplus fruit, share in the harvest, prevent waste, and distribute produce to families in need. Come learn how a similar project of voluntary gleaners could get started here in West Linn. Featuring guest speaker Bob Hatton, program manager with the Portland Fruit Tree Project.

Co-sponsored by the West Linn Sustainability Advisory Board
and the West Linn Public Library
