# This is what the room looks like.

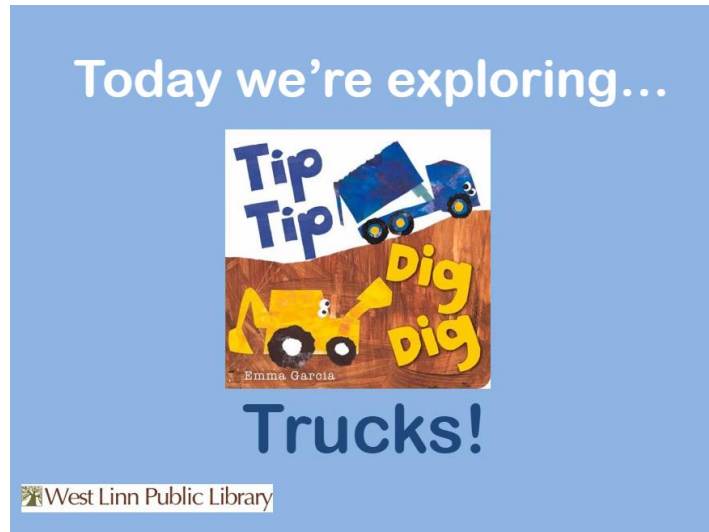

**You can choose a fidget toy, wobbly seat, or headphones if it helps you during storytime.**

**We have a board that shows everything we do during storytime. When we are done with something, we put it away to know it is done.**

**We use a large screen to give you information, like the lyrics to songs.**

**Every week we have a theme.  
What do you like to read about?**

**Sometimes we use sign language.  
It's a great way to show someone  
how you feel! Common signs we  
use are “hello,” “friends,” “more,”  
“please,” and “thank you.”**

# We read two books during storytime.

## What are your favorite books?

# We sing songs. Some of our favorites are **Roly Poly** and **Zoom Zoom Zoom**.

# We play music and dance to fun songs. Some of our favorite songs are listed below.

## Favorite songs we like to play:

- **Airplane Song** by Laurie Berkner
- **Clap Your Hands** by They Might Be Giants
- **Little Rooster** by Charlie Harper
- **Run Baby Run** by Caspar Babypants
- **Shake My Sillies Out** by Raffi
- **Silly Dance Contest** by Jim Gill

# After music and movement, there are bubbles!

**Storytime lasts about 30 minutes.**  
**When it's over, we sing**  
**“goodbye friends, we’re glad you**  
**came to play!”**

**After storytime, you can play in the children's area. There is a train table, play market, and light board. And books of course!**

**Thank you for coming to storytime!**  
**We hope to see you again soon!**
