Description: The Parks and Recreation department celebrates the summer season with the annual Old Time Fair, a three-day event at Willamette Park. Customers enjoy food, music, shopping, beer garden, car show, boat show, amusement rides, games, activities and more!

The West Linn Old Time Fair is primarily an entertainment, food, and artisan-based event which focuses on traditional and modern activities that create an opportunity for community engagement. Vendor participation is determined by strict criteria. Priority will be given to local artists who make one-of-a-kind items. Vendors are selected that provide unique, finely crafted and superior quality products. A majority of the goods should be handmade, or hand assembled, creative, imaginative, fun, and/or have a strong artistic form. Vendors must have high standards of professionalism. Website and social media presence is also considered. Additionally, vendors are selected that are appropriate for the Old Time Fair venue and fit the overall vision of the event. Goods selected must be reasonably priced and affordable to the Old Time Fair audience (“reasonable prices” are determined by the Parks & Recreation staff). Furthermore, efforts are made to select vendors whose products are created locally and made with locally sourced goods. The Old Time Fair staff reserves the right to make acceptations to the vendor criteria based on community requests, educational programs/exhibits or services that provide a benefited Fair experience while maintaining the overall vision.

Fee: Standard 10x10 Booth: **\$225 TOTAL**. Booth spaces could be in the trees or sun with uneven or incline surfaces. This is because of tree roots, dirt, and grass. It is recommended that vendors bring props to level their tent and displays. Additional booths may be in direct sun and on concrete flat surface.
