

ADOPT-A-PLOT AT Mc LEAN PARK!

What is Adopt-A-Plot? Friends of the McLean House have initiated a new short-term opportunity for residents to volunteer and help keep this beautiful neighborhood asset looking its best!

We are looking for individuals or groups to **“Adopt”** an area in the gardens, small to larger, to nurture and keep maintained. If you are a frequent visitor to the park or just strolling by to check out the bridge construction, why not be a volunteer too?

Each adopter will be asked to commit for only 3 months of maintenance to their **"Plot"**. A one-time monthly visit may be all that is needed on a small area, 4-6 times on a larger one. Guidance will be given, tools and supplies available if needed. After 3 months if you wish to continue, you can!

BE A PLOT PARENT! *Gardens need nurturing too!*

Project Location: Mc Lean Park & House, 5350 River Street, West Linn 97068

Want a garden tour or have questions? Call Judy at 503-657-5875, or leave a message at McLean House 503-847-1542.
