

## Summary of Grant Projects That Have Completed a Report

### West Linn 4<sup>th</sup> of July 2015

A fourth of July event was put on by Alice Richmond at Willamette Park. The Melissa Nickolson Band performed, Alice Richmond emceed the event, and fireworks were at twilight.

- Funds provided through CPP: \$1500. Project Total costs: \$7,296
- Expenses: \$1,702.95 -- Hull and Company Insurance Policy and Fire Marshall (The grant covered part of this expense.)
- Points made by applicant that might be relevant to EDC members
  - Alice says that the event is open to all citizens in the region, and people want longer fireworks.
  - When answering a question on tourism, Alice says that Mt. Hood's 4<sup>th</sup> of July event was advertised on the tourism website. She also says that she receives calls from out-of-state people interested in the event.

### Friends of Maddax Woods Lighting in Maddax Woods 2015

Claudia Davis -- Vice President of the Board of Directors of the Friends of Maddax Woods -- created a decorative light display in Maddox Woods.

- Funds provided through CPP: \$4,000. Project Total Costs: \$4,300+-
- Expenses: \$4,000 -- lights, extension cords, wood stakes, screws and straps, fence extensions and posts, splitters, Twist & Zip Ties, and tape
- Points made by applicant that might be relevant to EDC members
  - "We now have LED lights that will be easier to "put up", look better and save electricity. We will put the new lights up in November and take them down after the first of 2016."
  - Anticipated future funding for a security person, a shuttle bus, and permanent lighting wiring sockets that are weather proof
  - Davis would like to get notice of a grant award earlier before funds are given out.
  - There were many people from outside the area like a family from San Diego.
  - Davis believes that a security camera will be able to capture ROI.
