West Linn Planning Commission--

I attended the Robinwood church in about 1971- 80, when we grew to nearly 190 attendee . I also attended New Life Church for a few years. At neither time did we experience any parking problems on the grounds. I do not know the present criteria for the property, but feel there should be adequate room for the required school parking.

Sincerely,

West Linn, Or. 97068,

*I also know my neighbors and myself would prefer a school there, rather than multiple housing.*
