

Memorandum

Date: July 24, 2020

To: Committee for Citizen Involvement

From: Chris Myers, Associate Planner

Subject: Agenda Item 4: Review Citizen Vision Goals

The West Linn City Council has requested a recommendation from the Committee for Citizen Involvement (CCI) regarding the placement of the West Linn Citizen Vision Goals into the West Linn Comprehensive Plan. These goals were originally adopted by City Council in 2003. In 2018 there was discussion around revising/updating the goals. Attached you will find copies of the 2003 goals and the revised but not adopted 2018 goals. City Council requested feedback from the neighborhood associations in 2019, but had limited feedback and no clear consensus on a recommendation. Therefore, Council has now asked for the CCI to review both sets of goals and make a recommendation for a single set of goals to move forward into the legislative process to include them in the West Linn Comprehensive Plan.

If you have questions about the meeting agenda or materials, please feel free to email or call me at cmyers@westlinnoregon.gov or 503-742-6062. As always, please submit questions before the meeting to increase the efficiency and effectiveness of the discussion as it allows staff to prepare materials and distribute them for your consideration.
