2021 Challenges

Please describe challenges your group faced in 2021.

Attendance by all members was a challenge in 2021, resulting in one meeting cancelled due to a lack of a quorum and one member being removed for unexcused absences.

2022 Council Goalsetting

What issues do you think the Council should be thinking about as they go into their annual goalsetting? Do you have recommendations about how the issues could be resolved? Council will take this advice into consideration as they prepare for goalsetting.

The HRB requests direction from Council to explore the appropriateness of preserving the remaining bungalows within the Willamette Falls Drive Commercial Design District, and develop options for their preservation within the Community Development Code.
