PRE-APPLICATION CONFERENCE Agenda

Thursday, May 16, 2024

City Hall – Willamette Room

Pre-application conferences are designed for Applicants to discuss their proposals with staff before formally applying. These sessions inform Applicants about submission requirements, approval criteria, and site development considerations. They are not forums for public comments on applications. However community members may attend and, if time permits, ask staff questions about the West Linn Development Code and application requirements. If Applicants proceed with a development application, the public will have an opportunity to comment after submission.
