4. Discussion: Planning Commission Annual Report to City Council

Commissioners reviewed the Planning Commission's annual report, highlighting challenges with public engagement and virtual meetings. Key challenges include low levels of public participation in development decisions and the ongoing limitations of virtual meeting formats. Goals for 2024 focus on advancing affordable housing strategies and implementing the Housing Production Strategy. Commissioner Walvatne requested to prioritize implementation of the 2018 CCI report. Commissioners noted their concern about the proposed Bolton Primary School closure.

5. Discussion: Appeal Authority for Planning Director Decisions

During the joint meeting with City Council on November 18, the Planning Commission was asked to consider serving as the appeal authority for staff-level decisions. In the Portland Metro Region, several jurisdictions designate their Planning Commissions for this role, and the City Council is exploring the possibility of adopting a similar approach. Commissioners discussed the proposal, noting that appeals of staff-level decisions are infrequent. The Planning Commission expressed comfort with assuming this responsibility and will provide formal feedback to the Council.

6. Planning Commission Announcements

None.

7. Staff Announcements

Planning Manager Wyss reviewed the upcoming Planning Commission schedule and proposed adjustments. The Community Tree Lighting is 12/6/24 at 6:00pm. He recommended canceling the December 18 meeting due to a lack of agenda items and the January 1 meeting as it falls on a holiday. The next regularly scheduled Planning Commission meeting will be held on January 18 and will include a quasi-judicial hearing.

Wyss will email the Planning Docket to Planning Commissioners.

8. Adjourn

Chair Carr adjourned the meeting at 6:37pm.
