

Memorandum

Date: May 12, 2015

To: Planning Commission
Economic Development Committee

From: Chris Kerr, Community Development Director

Subject: Joint Planning Commission/Economic Development Committee worksession

The May 20th meeting, which will begin at 6:00, will be a joint worksession between the Economic Development Committee and the Planning Commission. Due to interior remodeling work occurring in the Council Chambers, the meeting will be held in the community room at the new police station. The purpose of the worksession is to update both groups jointly on upcoming projects and activities that are of a shared interest to each. The worksession format is intended to allow for discussion between groups.

Steve Faust, Cogan Owens Greene, will attend the meeting to discuss the Economic Opportunities Analysis project, which the EDC spent considerable time working on, and which will be scheduled for a Planning Commission meeting next month for their recommendation. Additionally, Staff will provide an update on the next steps and anticipated schedule for implementing the Arch Bridge/Bolton plan.
