A Class I Historic Design Review for a minor commercial alteration

The existing small awning will be replaced by one that extends across the entire building. The awning will be black colored (not color shown below) canvas material and extend out from the building per CDC 58.090(C)(11). The paint color (shown in attached photo) will be consistent with the standards of 58.090C)(26) with light olive body and an accenting tan trim
