Subject: Tannler Development Agreement - EDC comments

At its December 14, 2017 meeting, the West Linn Economic Development Committee discussed the Tannler Development Agreement. The Committee unanimously passed the following motion and asked it be entered into the public hearing record on this matter:

EDC moves to recommend to the City Council, relative to the Tannler Development Agreement, the OBC zoned land be retained as there is a limited supply of commercially zoned land in the city.

Let me know if you have questions.

John et al,
I am forwarding potential exparte correspondence to council that could relate to the MISC 17-09 project on Tannler.

I want to alert you on the minutes from last nights EDC meeting, our committee discussed OBC land use zones in West Linn. This is a very important subject for EDC and the economic future for business in West Linn.

Councilor Sakelik; stepped out of the room while we discussed this, so he did not hear our motion on this subject.

I don't know if this discussion would place Council in jeopardy, so I am suggesting the CM office should review and advise council if need be.

Sincerely,

Gail Holmes
