

**AGENDA BILL 08-12-02**

**Subject:** Ordinance 1584 approving a new Transportation System Plan with amendments to Goal 12 of the Comprehensive Plan and Community Development Code

**For Council:** December 8, 2008

**Land Use Case Number:** PLN-08-07 / CDC 08-01

**Public Hearing:** Yes

**City Manager's Initials:** \_\_\_\_\_

**Attachments:**

- Proposed Ordinance 1584
- Memo to City Manager (11-25-08)
- Memo to Planning Commission (11-25-08)
- Engineering Memo re: TAB comments (11-21-08)
- Revised Chapter 10 (Finance)
- Transit Telephone Study (09-2008)
- Written public comments received

**Initiated by:**

- City Council Goal for 2007-2008

**Budget Impact:**

- The new TSP is a long-term policy document that includes transportation projects which will impact the City's Budget. The specific details are found within the TSP document.

**Policy Questions for Council Consideration:**

1. Are the proposed TSP and associated amendments to the Comprehensive Plan and CDC in the best interests of the City?
2. Is the proposed Ordinance in accordance the future stated vision for the future of the City?

**Summary:**

Staff previously provided the Council with the complete Staff Report, including the proposed new TSP and amendments to the Comprehensive Plan and CDC. This Agenda Bill includes additional relevant information assembled since that date.

**Recommended Action:**

The West Linn Planning Commission is scheduled to complete its review of the proposed TSP on December 3<sup>rd</sup> and will provide a recommendation to the City Council following that meeting.

**Council Action Taken:**

- Approved
