This public hearing will be on the proposal to build a 70 unit hotel on a site containing Bernert Creek and wetlands, with a Class II Variance for amount of square footage developed within the water resource transition area, at 2400-50 Willamette Falls Drive. Class II Variance criteria can be found in Chapter 75 of the CDC. Water Resource Area protection criteria can be found in Chapter 32 of the CDC. Approval or disapproval of the request by the City Council will be based upon these criteria and these criteria only. The City Council may continue the public hearing to another meeting to obtain additional information, or close the public hearing and take action on the application. If there is no continuance granted at the hearing, any participant in the hearing may request that the record remain open for at least seven days after the hearing. Failure to raise an issue in person or by letter at some point prior to the close of the hearing, or failure to provide sufficient specificity to afford the decision maker an opportunity to respond to the issue, precludes an appeal to the Land Use Board of Appeals (LUBA) based on that issue.
