The City Council will make its decision on the appeal based upon these criteria and these criteria only. At the hearing, it is important that comments relate specifically to the applicable criteria listed. The complete application for AP-12-02 (water treatment plant) is available for inspection at no cost at City Hall or via the City of West Linn's website at <http://westlinnoregon.gov/planning/4260-kenhorpe-way-water-treatment-plant-expansion-appeal-planning-commission-decision>. The complete application for AP-12-03 (raw- and finished-water transmission lines) is available for inspection at no cost at City Hall or via the City of West Linn's website at <http://westlinnoregon.gov/planning/pipeline-project-water-treatment-plant-lo-appeal-planning-commission-decision>. Printed copies of these documents may be obtained at City Hall for a minimal charge per page.

Oral testimony may be presented at the public hearing. At the public hearing, the City Council will receive a staff presentation, and invite both oral and written testimony. The City Council may continue the public hearing to another meeting (tentatively January 15) to obtain additional information, leave the record open for additional evidence, arguments, or testimony, or close the public hearing and take action on the application as provided by state law. Failure to raise an issue in person or by letter at some point prior to the close of the hearing, or failure to provide sufficient specificity to afford the decision maker an opportunity to respond to the issue, precludes an appeal to the Land Use Board of Appeals based on that issue.
