The hearing will be conducted in accordance with the rules of CDC Section 98.120. Anyone wishing to present written testimony on this proposed action may do so in writing prior to, or at the public hearing. Oral testimony may be presented at the public hearing. At the public hearing, the City Council will receive a staff presentation, and invite both oral and written testimony. The City Council may continue the public hearing to another meeting to obtain additional information or close the public hearing and take action on the proposed legislation. Failure to raise an issue in person or by letter at some point prior to the close of the hearing, or failure to provide sufficient specificity to afford the decision maker an opportunity to respond to the issue, precludes an appeal to the Land Use Board of Appeals (LUBA) based on that issue. At least 10 days prior to the hearing, a copy of the proposed amendment and associated staff report will be available for inspection and also on the City's web site at <https://westlinnoregon.gov/planning/community-development-code-maintenance>. In addition, the file, CDC 14-02, Community Development Code Maintenance, containing the proposed amendments and related information is available for review at the Planning Department.

The City Council will make a final decision regarding the proposed amendments following its public hearing. For further information, please contact John Boyd, Planning Manager, at City Hall, 22500 Salamo Road, West Linn, OR 97068, phone (503)656-4211, or via e-mail at jboyd@westlinnoregon.gov.
