## GENERAL INFORMATION

**OWNER:** Haggen LLC, 1855 Blankenship Road, West Linn, OR 97068

**APPLICANT:** TNT Fireworks, PO Box 836, Clackamas, OR 97015

**SITE LOCATION:** 1855 Blankenship Road

**SITE SIZE:** 239,396 square feet

**LEGAL DESCRIPTION:** Assessor's Map 2-1E-35C Tax Lot 802

**COMP PLAN DESIGNATION:** Commercial

**ZONING:** General Commercial

**APPROVAL CRITERIA:** Community Development Code (CDC) Chapter 35 Temporary Uses; Chapter 19: General Commercial.

**120-DAY RULE:** The application became complete on June 2, 2015. The 120-day period therefore ends on October 1, 2015.

## EXECUTIVE SUMMARY

The application is for a temporary use permit for a firework stand in the north portion of the Haggen's parking lot. The applicant will install the sales tent prior to July 4 and remove it after that date. Temporary uses for up to a year may be approved by the Planning Manager per 99.060(A) (1)(a). The site has been used for this temporary use in each of the past 20 years.

The placement of the temporary use meets the dimensional standards, setbacks, lot coverage and other provisions of the underlying General Commercial zone.

## DECISION

The Planning Manager (designee) approves this application (MIS-15-06), based on: 1) the findings submitted by the applicant, which are incorporated by this reference, 2) supplementary staff findings included in the Addendum below. With these findings, the applicable approval criteria are met.

The provisions of the Community Development Code Chapter 99 have been met.

Peter Spir

PETER SPIR, Associate Planner

June 18, 2015

DATE

Appeals to this decision must be filed with the West Linn Planning Department within 14 days of mailing date. Cost is \$400. An appeal to City Council of a decision by the Planning Manager shall be heard on the record. The appeal must be filed by an individual who has established standing by submitting comments prior to the decision date. Approval will lapse 3 years from effective approval date if the final plat is not recorded.

Mailed this 19<sup>th</sup> day of June, 2015.

Therefore, the 14-day appeal period ends at 5 p.m., on July 3, 2015.

Note to Applicant: The temporary use must cease and be removed from the property by August 9, 2015

**ADDENDUM  
APPROVAL CRITERIA AND FINDINGS  
MIS-15-06**

This decision adopts the findings for approval contained within the applicant's submittal, with the following exceptions and additions:

*Chapter 19  
GENERAL COMMERCIAL, GC*

*19.050 USES AND DEVELOPMENT PERMITTED UNDER PRESCRIBED CONDITIONS*

*The following uses are allowed in this zone under prescribed conditions:*

- 5. Temporary use, subject to the provisions of Chapter 35 CDC.*

**Staff Response 1: This use is permitted by this application in that the applicant has applied for a temporary use permit under the provisions of CDC Chapter 35.**

*19.070 DIMENSIONAL REQUIREMENTS, USES PERMITTED OUTRIGHT AND USES PERMITTED UNDER PRESCRIBED CONDITIONS*

*A. Except as may be otherwise provided by the provisions of this code, the following are the requirements for uses within this zone:*

- 1. The minimum front lot line length or the minimum lot width at the front lot line shall be 35 feet.*

- 2. The average minimum lot width shall be 50 feet.*

- 3. The average minimum lot depth shall not be less than 90 feet.*

*(...)*

- 5. The maximum lot coverage shall be 50 percent, except as provided in CDC*

*58.090(C)(1)(d).*

- 6. The maximum building height shall be two and one-half stories or 35 feet for any structure located within 50 feet of a low or medium density residential zone, and three and one-half stories or 45 feet for any structure located 50 feet or more from a low or medium density residential zone.*

- 7. For lot lines that abut an arterial, there shall be no minimum yard dimensions or minimum building setback area, and the maximum building setback shall be 20 feet. The front setback area between the street and the building line shall consist of landscaping or a combination of non-vehicular hardscape areas (covered with impervious surfaces) and landscaped areas. If there are not street trees within the public right-of-way, the front setback area shall include such trees per the requirements of the City Arborist.*

**Staff Response 2: The parent property, owned by Haggen's, exceeds the required dimensional standards with a front lot line width of 1,150 feet, an average width of 867 feet and a lot depth of 480 feet. The maximum 50 percent lot coverage (currently 31 percent) is not compromised by a 20' X 40' temporary tent. The landscaping transitions and setbacks along Blankenship Road are already met by the existing development's setbacks and landscaping.**

*35.030 TEMPORARY USE STANDARDS*

*A. Temporary uses shall be approved if they meet the following standards:*

*1. Sites accommodating a temporary use shall be appropriate for the proposed use, as determined by the approval authority with consideration of the following:*

*a. The proposed site shall have adequate parking and circulation space consistent with Chapter 46 CDC, Off-Street Parking, Loading and Reservoir Areas; safe ingress and egress consistent with Chapter 48 CDC, Access, Egress and Circulation; and adequate line of sight and vision clearance per Chapter 42 CDC, Clear Vision Areas.*

**Staff Response 3: The parking lot and circulation areas comprise 127,346 square feet or 2.9 acres and further include 261 parking spaces. Staff finds that this area is large enough for safe ingress/egress and vehicular circulation. There is also sufficient parking for the temporary use. Staff finds that many of the temporary use's customers will be shopping at other stores in this shopping center so a reduction in total parking demand by cross-patronage is expected per 46.080(A). The temporary use's proposed location will not compromise the lines of sight or clear vision areas.**

*b. The proposed site shall have a paved or graveled surface sufficient to avoid dust generation and mud tracking from anticipated traffic or erosion control measures, consistent with Clackamas County Erosion Prevention and Sediment Control Planning and Design Manual, rev. 2008, and shall be used to keep any mud, sediment and dust on site.*

**Staff Response 4: The parking lot is already paved.**

*c. The proposed use shall conform to all applicable requirements of Chapter 27 CDC, Flood Management Areas; Chapter 28 CDC, Willamette and Tualatin River Protection; Chapter 32 CDC, Water Resource Area Protection; and other City regulations.*

**Staff Response 5: The proposed use is not in a flood management area, within the Willamette or Tualatin River Protection Area, or within a Water Resource Area, environmental zone or hazard area. Therefore this criterion does not apply.**

*d. The proposed temporary use shall not be materially detrimental to the public welfare, or injurious to the property or improvements in the immediate vicinity.*

**Staff Response 5: The State Fire Marshall and TVFR have already approved the temporary use. On that basis, the use is not expected to be detrimental to public welfare or injurious to the property.**

*2. The approval authority may require that structures and trailers allowed as temporary uses for more than 60 days be screened from the view of occupants of any abutting residential and commercial structures, consistent with Chapter 44 CDC, unless the applicant demonstrates that such screening is not needed.*

**Staff Response 6: The temporary use is housed within a tent. There is no need for screening of this use.**

*3. Drop boxes, trailers, or structures that serve a similar function are allowed, consistent with subsection A of this section, for registered nonprofit, religious or benevolent groups, orders or associations, when they are proposed to be located in General Commercial, Office Business Center, Campus Industrial, General Industrial, or Neighborhood Commercial districts.*

*Drop boxes and structures serving a similar function, not including trailers, shall not exceed seven feet in height or have a footprint of more than 25 square feet on a single site. Their color shall be limited to earth tones.*

**Staff Response 7: No drop boxes are proposed so this criterion does not apply.**

*4. The property owner has authorized the proposed temporary use in writing.*

**Staff Response 7: The owner has authorized and signed the application form.**

## FIREWORKS LEASE AGREEMENT

This agreement is made between Haggen Opco North LLC and Haggen Opco South LLC as LESSOR and AMERICAN PROMOTIONAL EVENTS NORTHWEST dba TNT Fireworks as LESSEE.

1. AMERICAN PROMOTIONAL EVENTS - NW, will lease a mutually agreeable portion of the property located on the attached Addendum "A" for the sale of approved fireworks from the premises, as more particularly specified on Addendum A (hereafter called the "Location").
2. The lease payment will be \_\_\_\_\_ after called the "Season". The term of this agreement shall be from June 2015 through July 2017. Payment shall be paid to Lessor on or before February 15 each year.
3. Lessor represents that the Location is owned and/or controlled by the Lessor and Lessor has the right to enter into this Agreement, subject to master landlord approval.
4. The Lessor hereby grants Lessee a first right of refusal to match any bona fide offer to lease the Location for fireworks sales during the renewal Seasons.
5. In return, Lessee agrees to the following terms and conditions:
  - a. Provide an A+ rated \$10,000,000.00 certificate of insurance, prior to occupancy, evidencing liability insurance in force covering the erection and operation of the Structure. Insurance shall name Lessor as additional insured, and Lessor shall be held harmless from any and all claims or losses arising from sale of fireworks and the maintenance or operation of the Structure.
  - b. Pay any and all costs involved in erection, maintenance, and operation of the structure and Lessee shall guarantee that the Location will be returned to its original condition.
  - c. Obtain and pay all necessary approvals, permits and licenses required by law, post with local authority any debris or performance bonds as required, and guarantee that all laws and regulations shall be adhered to.
6. This agreement is contingent upon Lessee securing necessary approvals, permits and licenses. Lessee may cancel that portion of this agreement if the sale of fireworks is prohibited at any specific Location by a public authority or if such sale, in the good faith opinion of either party, becomes commercially unreasonable. Lessor may cancel this agreement if it closes or no longer does business at any location. In such an event any deposit for that Location shall be refunded to Lessee.
7. Lessee agrees to display signage which advertises or promotes the existence of 501(c)(3) staff working or volunteering at each Location.

Agreed to and dated this 20<sup>th</sup> day of January, 2015

Sales Rep: Jason Trout

Dear Fire Authority,

The following is information regarding the Tent operation for your review:

1. Tent size = 20' X 40' framed tent
2. Entrance/Exits = Each tent will have two entrance/exit.
3. Fire extinguishers = Minimum of 2 ea, 2A: 1 OBC, 2 ea, type 2A water and 1 ea, 40BC
4. Aisles = Aisle ways of at least 4' will be maintained.
5. Signs = Exit and No Smoking signs will be posted above every exit.
6. Product = Will be displayed on 8' tables and free standing pallet displays.
7. Security = 24 hour security will be provided at each site.

Enclosed is a diagram of the tent layout along with a copy of the certificate of flame resistant and the certificate of insurance.

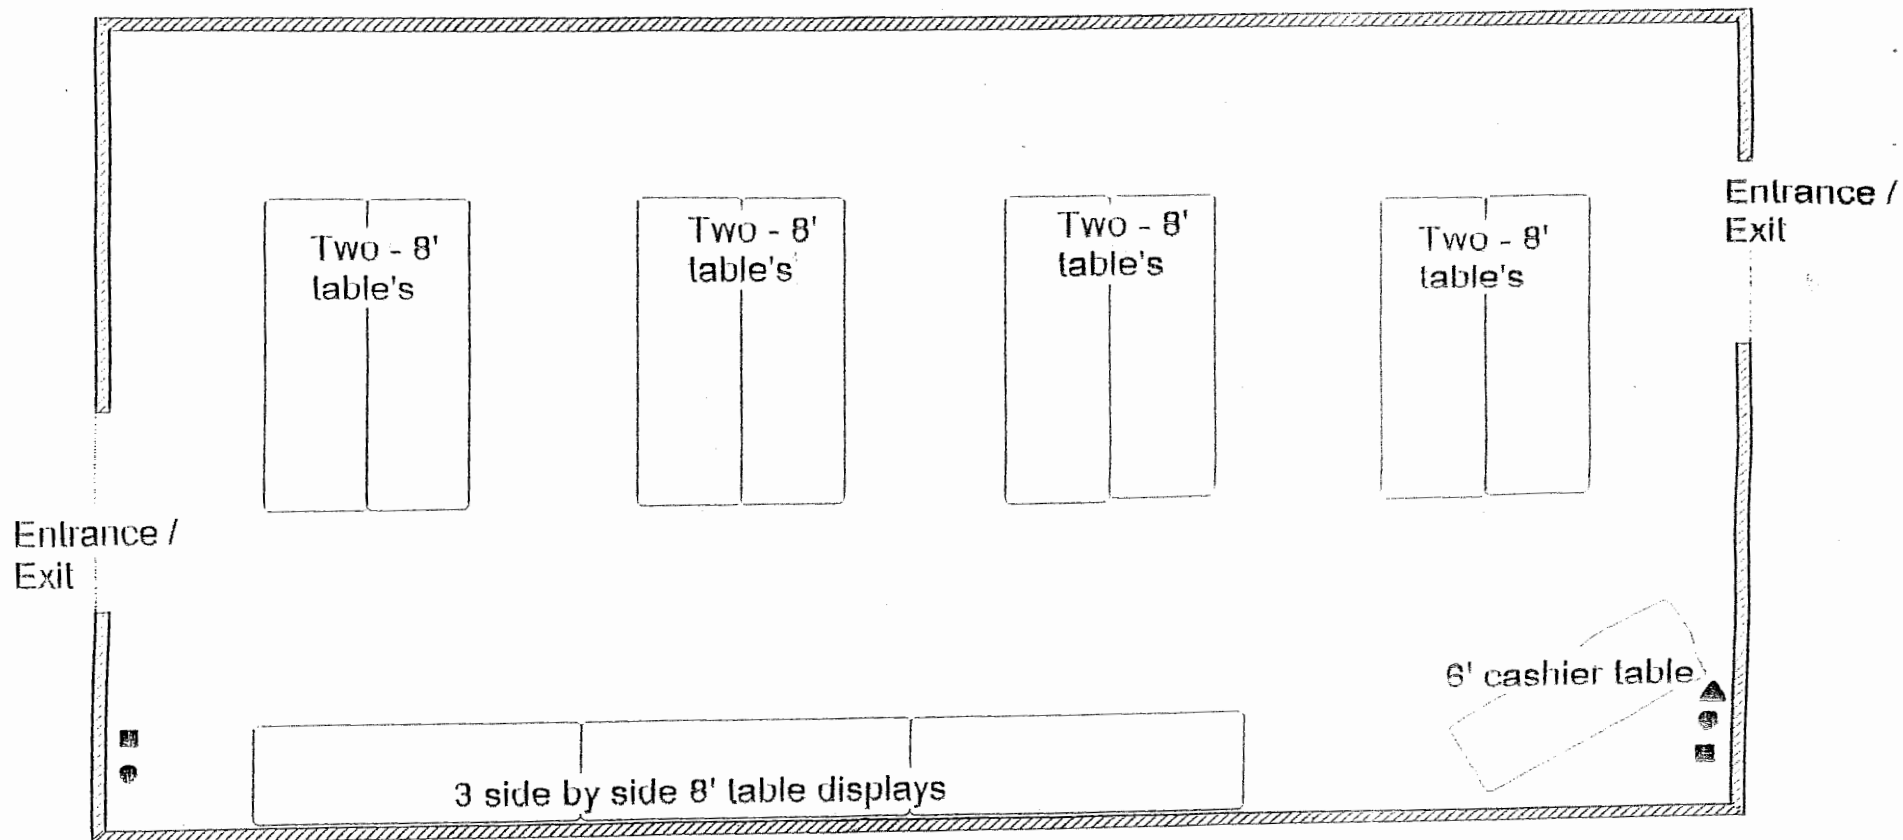

Please contact us if you have any questions or request for further information.

Sincerely,

A handwritten signature in cursive script that reads "Anne M. Premo".

### Temporary Use Standards:

- 1.a. The Tent will be placed along the South side of the parking lot where it is out of the main flow of traffic and away from driveways. It will not be blocking the line of site for any traffic to make turns in and out of the parking lot. The flow of traffic should not be disrupted at all.
- 1.b. The parking lot that the tent will be on is a paved surface lot.
- 1.c. The existing parking lot has a drainage system.
- 1.d. The temporary tent will be held down with water barrels so no wind can move it. There will be a perimeter around the tent to keep vehicles at least 15 ft away. No damage will be done to the parking lot or the surrounding areas.
