NeighborhoodScout hereby recognizes that the recipient city of this prestigious award has achieved one of the top one-hundred safety rankings in the U.S. for the year 2013.

Safety performance is calculated for all cities with populations of 25,000 or more and ranked by the total number of property and violent crimes per 1,000 residents. Raw crime data is provided by the FBI's latest release of full annual UCR data.

The *America's Safest Cities* report is published annually by expert crime analysts at NeighborhoodScout.com, a division of Location, Inc.
