Discussion of the Draft Trails Master Plan

Zach Pelz, Associate Planner, gave an overview of the Trails Master Plan process and current status. Discussed the next steps and plans for incorporating pedestrian and bicycle recommendations into the upcoming Transportation System Plan evaluation for pedestrian and bicycle facilities.

Update on Safe Routes to School

Member Jackson explained that Safe Routes to School is now marketed under the name, “Build-it”, and is intended to highlight and improve coordination between parents, school districts, and cities in making safer pedestrian and bicycle access for pupils.

Members unanimously approved the decision to move forward with developing Safe Routes to School Plan for the City. Motion was made by J. Jackson; seconded by R. Alharithi

Update and Discussion – Intersection of Highway 43 and Willamette Falls Drive

Member Alharithi and members discussed pedestrian safety issues near the intersection of Willamette Drive (Hwy 43) and Willamette Falls Drive. Suggestions were made that the City looks into pedestrian refuge islands across Willamette Falls Drive at Willamette Drive.

Zach Pelz agreed to put together a rough sketch of the intersection for the TAB's consideration of next steps.
