

# **WEST LINN MEETING SUMMARY NOTES**

## **Transportation Advisory Board**

Wednesday, May 28, 2014

6:00 - 7:30pm

West Linn City Hall

22500 Salamo Rd

West Linn, OR 97068

### **1. Call to order and introductions**

- Called to order by Dave Kleinke at 6:03pm

**Members present:** Joyce Jackson, David Kleinke, Jay McCoy, Kimberly Steele, Jim Milne, Councilor Mike Jones, Lance Calvert

**Guest present:** Jackie Wetzsten

### **2. Approval of March 2014 Summary Notes**

- Motion to approve made by Jay and seconded by Dave

### **3. Business**

#### **a. Review of Arch Bridge Open House information**

- Members that attended stated that some topics raised at the open house that were related to TAB goals is the need for connectivity for bikes and pedestrians including sidewalks.

#### **b. Review of Pathway Planning Map, staff recommended routes priority list, and possible recommendation for June Work Session and Council Agenda**

- Lance provided overview of materials and how they are related to Trails Master Plan and Transportation System Plan. The members discussed the need to agree on the definition of "complete" with regards to on-street routes. Staff recommended priority tiers are based on information collected via the map displayed at the meeting which demonstrates how specific routes are connected to transit, commercial centers, school walking boundaries, connections to off-street trails and parks/open spaces. Routes located around multiple areas (transit, commercial centers, schools, etc.) were moved up higher on the tier system with regards to priority. Cost considerations haven't been identified yet. There were questions of whether Safe Routes to school should be focused on through the trails plan or the TSP. Lack of Consensus was identified by the group with regards to what factors should be considered most important for prioritizing routes. The board asked staff to provide more data on where gaps are located and the length of such gaps in sidewalks and/or bike lanes for future cost considerations. The board requested that staff provide a spreadsheet that shows all the different map layers and how they impact each route at next meeting.

For special assistance under the Americans with Disabilities Act, please call  
City Hall 48 hours prior to the meeting date, 503-657-0331 or TDD 503-657-7845.

#### **4. Staff Updates**

- City will be considering SDC funding updates related to pedestrian and bike in the next year.

- Annual road program is out to bid and traffic signal project at Santa Anita/Rosemont/Salamo will be under construction this summer.

#### **5. Board Discussion/Announcements**

- None

#### **6. Adjournment**

- Dave motioned to adjourn at 7:30pm and Jay seconded
