

REQUEST FOR QUALIFICATIONS
PROFESSIONAL AND TECHNICAL TRANSPORTATION SERVICES
CITY OF WEST LINN, CLACKAMAS COUNTY, OREGON

Notice is hereby given that the City of West Linn, will receive Statements of Qualifications until 4:00 p.m. November 6th, 2013 for PROFESSIONAL AND TECHNICAL TRANSPORTATION SERVICES.

The proposed work consists generally of the following:

Transportation and traffic engineering services from qualified traffic planning, engineering, and public facilitation firms, teams, or consultants with demonstrated experience to provide traffic counts, reports, and modeling, surveying, geotechnical engineering, complete plan design, cost estimating, technical expertise in both field and office settings, limited project management, specialized inspection, transportation specialist support at public meetings, value engineering, and other transportation planning and engineering services as may be needed by the City.

Future projects may include:

- Design of traffic signals and intersection improvements at Santa Anita Dr. and Rosemont Rd.
- Other miscellaneous traffic and transportation-related projects

This request for qualifications (RFQs) shall be used to compile a list of interested and qualified firms who will be ranked in accordance with procedures as outlined in the RFQ and the City's Local Contracting Rules. Qualified firm(s) selected will negotiate contract scope and price on an individual project basis as they arise. Do not include any price or cost considerations with this Statement of Qualifications (SOQ).

RFQ format and other related information is available at the Office of Public Works, Engineering Division, 22500 Salamo Road, West Linn, Oregon 97068 or at <http://westlinnoregon.gov/rfps>

Statements of Qualifications must be received electronically via email to Lance Calvert at lcalvert@westlinnoregon.gov on or before 4:00 p.m. on the 6th of November, 2013. No late responses, hardcopy, or faxed materials will be accepted.
