

**CITY OF WEST LINN
PUBLIC HEARING NOTICE**

Transportation System Development Charges (SDC) Modification

The City of West Linn is proposing modifications to the Transportation Systems Development Charges (SDC) methodology and fees.

The City of West Linn is providing this notice at least ninety (90) days prior to its anticipated public hearing on the proposed Transportation System Development Charge modifications. The proposed modifications will be processed according to State law and the West Linn Municipal Code.

The City Council will take public testimony regarding the proposed modifications on **Monday, January 12, 2015, at 6:30 p.m.** in the Council Chambers of City Hall, which are located at 22500 Salamo Road, West Linn.

Oregon law requires the City to make the technical report and methodology supporting the SDC modifications available for public inspection sixty (60) days prior to the first public hearing. The proposed modifications and technical report will be available for review after **Monday, November 10, 2014**. The information will be available for inspection, at no cost, at the Engineering Department at City Hall and also via the City's web site at <http://westlinnoregon.gov/publicworks>, or copies can be obtained for a minimal charge per page. If you wish to submit written comments please address them to:

Lance Calvert, P.E.
Public Works Director/City Engineer
