

Agenda Bill 2018-07-09-09

Date: July 9, 2018

To: Russ Axelrod, Mayor
Members, West Linn City Council

From: Morgan Coffie, Public Works Management Analyst

Through: Lance Calvert, P.E. – Public Works Director/City Engineer *LEC*
Eileen Stein, City Manager *ES*

Subject: Contract Award for South Fork 24-inch Pipe Restraint (PW-18-01)

Purpose

Public Works request Council approval for the South Fork 24-inch Pipe Restraint contract.

Question(s) for Council:

Should the City spend capital funds in order to maintain the City's water distribution pipeline from South Fork Water Board?

Public Hearing Required:

None required.

Background & Discussion:

This project consists of restraining pipe joints on the City's 24-inch steel water transmission main from South Fork and will include installation of 2 valves to isolate this section. Most of the work for this project will be done manually as the project is located on a very steep slope above Abernathy Creek in Oregon City. The project is being pursued due to past joint slippage in this location and to provide a more resilient water supply.

The City advertised the project on June 7, 2018 and held a bid opening on June 21, 2018. The City received one bid in the amount of \$225,000 from Matton Utility, Inc. Matton Utility has previously worked on this pipe and is a specialized contractor capable of performing this work. As specialized work, staff is not surprised to see only one bid for this project.

Budget Impact:

\$ 225,000 to the Water Fund. Adequate capital funds are available for this project.

Sustainability Impact:

N/A

Council Options:

1. Approve the contract award.
2. Do not approve the contract award.

Staff Recommendation:

Approve the contract and authorize the City Manager to sign the South Fork 24-inch Pipe Restraint contract with Matton Utility, Inc. in the amount of \$225,000.

Potential Motion:

I move approval of a contract with Matton Utility, Inc. in the amount of \$225,000 for the South Fork 24-inch Pipe Restraint project and authorize the City Manager to sign it.
