

TC-_____-_____

REQUEST FOR TRAFFIC CONTROL INVESTIGATION/IMPROVEMENT

TODAY'S DATE: 9/3/24 DATE PROBLEM NOTED: 9/3/24

APPLICANT'S NAME: [REDACTED] TIME OF DAY: 8:00 AM PM

ADDRESS: [REDACTED] CONTRIBUTING FACTORS: [CHECK ONE]:

TELEPHONE: (H) [REDACTED] (W) _____
 Weather Road Surface Condition
 Hedges/Trees Street Lighting
 Others No parking painting

LOCATION OF PROBLEM: Between 2013 Parkside and the tree island

REQUEST: Paint the curve for no parking

REASON REQUESTED Cars often park in front of 2013 Parkside Ct too close to the curve. This creates the space between the side walk and the tree island too narrow for public cars such as garbage trucks and delivery trucks, forcing them to

ADDITIONAL COMMENTS: drive against the traffic on the left side of the tree island. With the big tree in the middle and the blind curve, I request the no parking paint for better safety. Thank you.

Thank you for completing this informational form. Your input is an important part of analyzing the above described problem. City Staff will review your request and conduct the necessary investigations. Please use the back of this form for a sketch or diagram as appropriate.
