

TC- 24 - 22

REQUEST FOR TRAFFIC CONTROL INVESTIGATION/IMPROVEMENT

TODAY'S DATE: 9-15-24 DATE PROBLEM NOTED: 7:30 - 8:00 am

APPLICANT'S NAME: [REDACTED] TIME OF DAY: Aug. 28 2024 AM/PM

ADDRESS: [REDACTED] CONTRIBUTING FACTORS: [CHECK ONE]:

TELEPHONE: (H) [REDACTED] (W) [REDACTED]  
 Weather  Road Surface Condition lack of crosswalk  
 Hedges/Trees  Street Lighting  
 Others visibility

LOCATION OF PROBLEM: Crown Street and Clark Street (Sunset) AND Windsor Terrace and Clark Street Intersections

REQUEST: Please put two crosswalks for pedestrians (children!) to safely cross Clark street

REASON REQUESTED: Very poor visability when coming up Clark St. from both sides. With the increase in school-aged children on Windsor and Crown crossing Clark to get to/from school, there needs to be something that slows cars down.

ADDITIONAL COMMENTS: Please consider the safety of the children. There are at least 20 kids that need to cross that street to get to school safely. Thank you.

Thank you for completing this informational form. Your input is an important part of analyzing the above described problem. City Staff will review your request and conduct the necessary investigations. Please use the back of this form for a sketch or diagram as appropriate.
